## Message from the Speaker

14 November 2016

I am delighted to send my best wishes to the Federation of Australian Shenzhen Community as they celebrate their first anniversary and Shenzhen Spectacular Gala Night.

The Shenzhen community of NSW has constantly supported harmonious relationships and observed the virtues of tolerance and understanding, openly sharing and promoting its cultural practices and traditions with the wider community.

NSW enjoys a rich and vibrant society thanks to the contribution of groups such as the Australian Shenzhen Community. The NSW Government remains committed to promoting and enhancing inter-cultural exchange, strong business partnerships and trade agreements that support mutual benefit and success.

The Federation of Australian Shenzhen Community is a national peak body representing the interests and values of people from the Shenzhen region. I commend the community for their work and for focusing on fostering a shared commitment to our future.

I would like to wish the Federation of Australian Shenzhen Community a prosperous and successful future.

Yours sincerely,

The Hon. Shelley Hancock MP
